Incident Reporting Policy

Document INC-001 · Version 1.6 · Effective 1 March 2025 · Owner: Compliance · Northwind Air

1. Purpose and scope

1.1 This policy explains how Northwind Air staff report incidents so that they can be investigated and prevented.

1.2 It applies to all employees, contractors and crew.

2. Safety incidents

2.1 Safety incidents must be reported within 24 hours.

2.2 Reports are made through the incident portal. A phone report must be followed by a portal entry.

2.3 Reporters are protected from retaliation when they report in good faith.

3. Other incidents

3.1 All other incidents, including cyber incidents, must be reported within 24 hours of discovery.

3.2 Incidents involving customer personal data must also be sent to the privacy officer.

4. Investigation

4.1 Each incident is assigned an investigator who is independent of the area involved.

4.2 The investigator records the cause, the actions taken and any follow-up work.

5. Related policies

5.1 Staff in Finance and Procurement should also read the Expense Policy when an incident involves a payment.

5.2 Safety incidents are handled under Safety Policy SAF-002.

6. Legal matters

6.1 Legal counsel must be told about any incident that may lead to a claim or an investigation by a regulator.

6.2 A legal hold overrides all retention schedules.
