Acceptable Use Policy

Document ITA-001 · Version 2.1 · Effective 1 September 2024 · Owner: IT Service Desk · Northwind Air

1. Purpose and scope

1.1 This policy explains how employees may use Northwind Air computers, networks and accounts.

1.2 It applies to everyone who is given access to company technology.

2. Passwords and accounts

2.1 Passwords must be at least 10 characters long.

2.2 Users must sign out of shared computers when they leave them.

2.3 Accounts are locked after 5 failed sign-in attempts.

2.4 Locked accounts are unlocked by the IT service desk after the user's identity is checked.

3. Software and equipment

3.1 Company equipment is for business use. Limited personal use is allowed if it does not affect work or security.

3.2 Employees may not install unapproved software on company devices.

3.3 Equipment must be returned to IT when an employee leaves the company.

4. Internet and email

4.1 Employees must not use company systems to view, store or send illegal or offensive material.

4.2 Company email must not be forwarded automatically to personal email accounts.

4.3 Attachments and links from unknown senders should be reported to the IT service desk before they are opened.

5. Reporting problems

5.1 Employees must report a lost or stolen device to the IT service desk immediately.

5.2 Faults in company equipment are reported through the service desk portal.

6. Related policies

6.1 For personal device rules, see the Bring Your Own Device Policy IT-007.

6.2 For the rules on protecting company information, see the Information Security Policy.
