Data Retention Policy

Document DAT-001 · Version 2.0 · Effective 10 January 2025 · Owner: Compliance · Northwind Air

1. Purpose, scope and definitions

1.1 This policy sets how long Northwind Air keeps records and how they are disposed of.

1.2 The Compliance team is responsible for approving the deletion of customer data.

1.3 Confidential data means customer personal data, financial records and employee records.

2. Retention schedule

2.1 Financial records are retained for 7 years.

2.2 Customer booking records are retained for 5 years after the last flight date.

2.3 Records must be kept in the system of record and not copied to unmanaged locations.

2.4 A legal hold overrides all retention schedules.

3. Employee records

3.1 Personnel files are retained for 7 years after employment ends.

3.2 Records of unsuccessful job applicants are retained for 1 year.

4. Operational records

4.1 Crew duty records are retained for 3 years.

4.2 Aircraft maintenance records are retained for the life of the aircraft plus 2 years.

5. Disposal

5.1 Records that reach the end of their retention period must be securely deleted or destroyed.

5.2 A record of each disposal must be kept by the team that carried it out.

5.3 Backup copies are removed according to the normal backup cycle.
